They are prepared to camp out for a week at a time if necessary or make rees would send a call to a repair shop for several days without calling upon outside assistance,

The Thomas car, for instance, carries a waterproof tent for three men, sleeping bags, food and hot drinks. Hot coffee water is carried in thermos, which keep the temperature even for 48 hours. Shovels, pickaxe's, crowbars, ropes, pulleys, hooks, planks for bridge building, extra engine part, tires, rifles, revolvers, extra ciothing, a cooking outfit, batteries, 75 gallons of gasoline oil, tools and lol articles are stored away compactly.

Monty Roberts, who is driving the car from New York to Cheyenne, is one of the sensational figures in the automobile world. He is a young man, a driver of great skill and daring who came to the front when he won the great 24-hour endurance race in New York. Prior to this he had been considered a good driver, but not a phenom. He is the pet of E. R. Thomas's factory and will represent the concern in the Briarcliffe and Grand Prix. In addition to his reputation as a driver Roberts is well known in rife and gun circles, being one of the shampion pistoi shot of the same state,

THREE CARS START.

Jacksonvile, Fla., March 9.—Three cars started this morning in the Jacksonville to Miami long-distance automobile race, C. F. Wheeler, of St. Augustine; Claude Nolan, of Jacksonville, and W. J. Morgan, of New York were the drivers. There were ten entries but all the others withdrew before the start. The first day's run is to Ormond, a distance of 84.9 miles.

CANDIDATES FOR CHESS.

CANDIDATES FOR CHESS.

New York, March 9.—Twelve men as candidates for places on the American team for the cable chess match between America and Great Britain, to be contested Friday and Saturday of this week have been named by the cable match committee of the Brooklyn chess club. They are: John F. Barry. Boston: Eugene Delmar, New York: Albert U. Forx. Washington; Hermann Helms, New York: Albert B. Hodges, Staten Island; Clarence & Howell, London (formerly of Brooklyn); Frank J. Marshall, Brooklyn; Mordecal Morgan, Philadelphia; Jackson W. Showalter, Georgetown. Ky.; S. L. CASTLETON TO ATLANTA.

Salt Lake Twriler a Great Favorite With Southerners.

Atlanta, March 9.—Manager Billy Smith of the Atlanta team, has returned from Little Rock, where he attended a meeting of the league. Smith has reason to shake hands with himself for going as it gave him the opportunity to run over to Hot Springs and see Clark Griffith, with the result that the "ground-rent man" is no longer a mystery, as Roy Cartleton will again star in the role at Fonce the coming season.

This is joyful news to all Atlantians, as Castleton is a great local favorite, and his acquisition means that the Champs will be unusually strong in tife

who suffer from sleeplessness, backache, or pain will find relief by taking Dr. Miles' Anti-Pain Pills. They are quick in action, relieving headache in a few minutes, while nearly every other form of pain yields to their soothing influence. A great many women have found that a few carried with them, insures immunity from suffering."

"I am one who has suffered for 13 years every month. For several years I took doctors medicine, until I gavo up to suffer until death. One day when I was in great pain, Mr. Sales, for whom I was working, gave me a box of Anti-Pain Pills. At first I refused them but he insisted on my giving them a trial, and I must say they are the only thing that I ever took that relleved me without putting me to sleep. Last August I began to use them and to-day I am willing to say that I am cured as I had only one pill this month. I recommend them to women who suffer, and believe they can live without pain if they will take Dr. Miles' Anti-Pain Pills."

SPRING BALL GAMES.

KING KELLY CALLED FOR TRIPLE PLAY.

"Scrappy" Billy Joyce, the old National league third baseman who played with Dugdale in Washington, tells the following story of a timely triple play:

"Mike Kelly, the king of baseball, called the turn on a triple play one time in the days of the Brotherhood that was the most remarkable thing I ever saw on the diamond. It was with Brooklyn then, together with Van Haltren, Hemming, Weying and several other old-time stars, and we were playing Boston, which had Kelly, Rathbourne, Brouthers, Quinn, Nash, Brown and many more who had gained fame.

"We were playing on the Brooklyn grounds and in the ninth innings Boston had us 2 to 1 when we went to bat, However, we got one man on third and one on second with no one out and everyone thought we would at least tie up the score, especially when our heavy hitters were coming up.

"With common reasoning the Boston pitcher tackled this crisis by trying to strike out the next batsman and then hoping for the best to get the next two. But Kelly, throwing down his mask rushed up to the pitcher and ordered in a loud voice:

"Hit t' short," he commanded the batter.
"A straight ball whized over the plate and the batter missed it. Another was missed in the same way and it looked as fit the triple might be spoiled. The third one the batter smashed to short, the latter soaked it to the plate and kelly tagged the runner coming in from third and like a fiash shot the ball to first in time to get the batter. WOMAN JUMPS INTO RIVER. Pittsburg, March 9.—An unknown young woman, well dressed, jumped from the Smithfield street bridge into

the Monongahela river early today and was swept away by the swollen river. Nothing is known concerning the woman and it is probable her body will not be recovered until the high water subsides.

DUE TO DEFECTIVE DESIGN

Ottawa, Ont., March 3.—The report of the royal commission on the collapse of the Quebec bridge, in which 80 lives were lost, was presented to parliament today. The commission finds that the collapse was due to defects in design, and that the parts of the bridge which first gave way were the lower chords in anchor arrangement near the main pier.

The design for the chords that failed was made by P. L. Szlapke, the designing engineer of the Phoenix Bridge company. This design was examined
